

WHY DOVER LIVING? DOVER LIVING IS AN EXCLUSIVE PUBLICATION SERVING THE RESIDENTS OF DOVER

At the beginning of every month, **Dover Living** is mailed to approximately 2500 established homeowners.

Dover Living showcases local families, athletes, pets, events, artists, school district updates, and the businesses that serve and support our community. Residents receive the magazine at no cost.

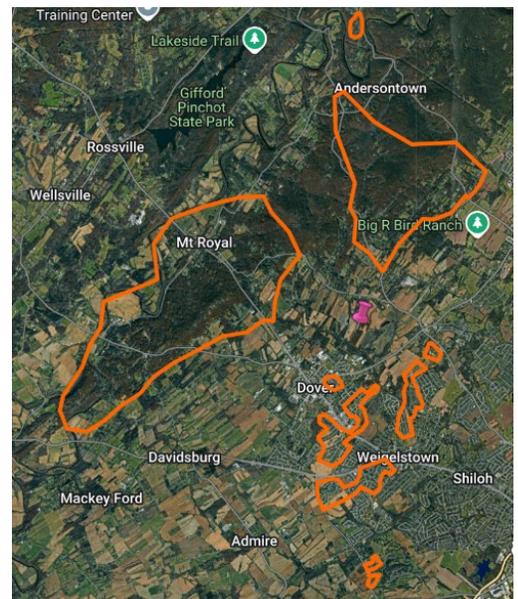

Dover Living will increase your visibility in the Dover area. An independent survey has shown that 89.4% of Dover residents will read and retain their monthly issue.

Launching your campaign in Dover's #1 community magazine during its inaugural year locks in early visibility—making your business the one people remember. This positions you as an early supporter and establishes consistent visibility from year one.

Since this is a private publication, our mailing list consists of 100% homeowners. That means your message reaches established households (valued between \$300K–\$800K+)—not renters or apartment turnover, but homeowners who are invested in their properties and make the buying decisions.
